

Co-production Framework Pack

**Co-production
Resource Kit**

Spaces for co-production

Opportunities for lived experience involvement:

- **Governance:** Oversight & accountability
- **Leadership:** Key roles throughout organisation
- **Planning:** Decisions about vision, values, direction, ambition, resource allocation & approach.
- **Design:** Decisions about the detailed form of an interaction, service or policy.
- **Implementation:** Supporting real-world implementation of a model.
- **Evaluation:** Learning what works and what doesn't.
- **Delivery:** Enabling change eg peer roles

Power sharing options

**Informed
decision making**
“To us”

**Consultative
decision making**
“For us without us”

**Participatory
decision making**
“Nothing about us
without us”

**Self-determined
decision making**
“By us for us”

Fits easier with
business as usual

Requires a bigger
shift in practice.

More likely to lead to
incremental solutions
based on existing
assumptions.

More likely to lead to
different solutions
based on shifted
assumptions.

4 Diamond (Co)Design Process
